With only 12 apartments and 3 exclusive penthouses overlooking the awe-inspiring Coin de Mire island, BAYSIDE is your private oasis to own.

SPIRITED LIVING IN GRAND BAY

The property lines the major coastal road, offering everyday convenience accessible for a carefree lifestyle and multiple restaurants, luxury shops or sport activities such as a running track or a lush golf course available nearby for the most energetic.

RECONCILING AUTHENTICITY & MODERN ELEGANCE

The architectural design was inspired by the amplifying demand for "convenient luxury and seafront living" by using elegant yet trouble free materials in the design of the sophisticated façade.

The interposed buildings create a sense of motion, fully opened onto the views that extend to a well-integrated tropical garden and across the bay to the unrestrained horizon.
